

Welcome to this month's edition of *Street Talk*. We trust you find this information useful and that we are keeping you up to date on street projects.

Stay connected and please give us feedback on what information you would like to see featured in upcoming e-newsletters. You can view the planned schedule for street projects at Street.GarlandTX.gov.

Also check for updates in the *Garland City Press*, NextDoor and other social media outlets.

Details About the Bond Program Now Available

Garland voters will consider eight bond propositions in the May 4 General Election.

Proposition A relates directly to Streets and Transportation. This proposition includes \$122,250,000 to finance street improvements including, sidewalks, alleys, bridges, intersections, screening walls, streetscape, wayfinding, fixtures, entryway signs and other traffic flow improvements.

Proposition G includes \$6 million to construct, improve, renovate and equip existing municipal facilities. Anticipated improvements include Street Department facility renovation and Transportation Maintenance and Operations Facility renovation.

Floodgate Safety During Heavy Rain.

What to Expect When the City Reconstructs Your Alley.

As a reminder, the quickest way to report a pothole or any other street-related issue is through Garland eAssist, the City of Garland's online service request tool. A mobile app is also available. When you send in a report, take a photo and be as specific as possible. You can also call the Street Department at 972-205-3555.
